

Beloved by pizza, tapas,
and wine lovers, Bread
and Butter combines the
flavours of Italy and
Spain in a relaxed
environment.

Our chefs have created an exceptional menu that is a wide collection of traditional recipes from their families, along with an array of their favourite Italian and Spanish recipes from various parts of the countries

Our food is designed to be shared.

We make our own pizza dough and levitate it two times.
The final product is easy to digest and very tasty.
We use the best quality potato for the gnocchi, no egg
and no artificial flavours.

All our sauces are made from in house.

Made with love for you
by the Bread and Butter team
